

**Software Tester @Dm2buy**  
**Noida**

Start Date	CTC (ANNUAL)	Experience
Immediately	₹ 3,24,000 - 4,20,000	1+ year(s)

### About the job

As a Software Tester at [dm2buy.com](https://www.instagram.com/dm2buydotcom/) (<https://www.instagram.com/dm2buydotcom/>), you will play a crucial role in ensuring the quality and functionality of our innovative software products. We are seeking a skilled professional who is proficient in Manual+Automation Testing, Jira, Google Sheets, and Usability Testing.

### Skill(s) required

Google Sheets   Jira   Manual Testing   Automation Testing   Software Testing   Usability Testing

### Key responsibilities:

1. Conduct thorough testing of software applications to identify bugs and defects.
2. Create and execute test cases based on project requirements and specifications.
3. Collaborate with developers and project managers to resolve issues and improve software performance.
4. Document test results and communicate findings to the team.
5. Use Jira to track and manage testing activities and defects.
6. Perform usability testing to ensure a seamless user experience.
7. Continuously improve testing processes and techniques to enhance overall product quality.

If you are passionate about software testing and are looking to join a dynamic team, Dm2buy is the perfect place for you to grow and showcase your skills. Join us in revolutionizing the way people buy and sell online!
